

Echo (You And I)

Anggun

You and I
You and I

Thousands of years and counting under our feet
Somehow our story's still incomplete
'Til there's a place for you and for me

Thousands of dreams are buried while we're asleep
'Cause everything seems too hard to reach
Don't tell me I'm a fool to believe

In my dreams, in my dreams
In my heart, through the dark
I see you and I, there is you and I

In my dreams, in my dreams
In my heart, in my mind
I see you and I, there is you and I

Thousands of fears are growing in a heartbeat
Running wild through the air that I breathe
They can't stop, wanna choose to believe

In my dreams, in my dreams
In my heart, through the dark
I see you and I, there is you and I

In my dreams, in my dreams
In my heart, in my mind
I see you and I, there is you and I

There is you and I
There is you and I

Reach and you'll feel the fire burns within me
Don't ever let it go, can't you see?
That there's a place for you and for me

In my dreams, in my dreams
In my heart, in my mind
I see you and I, there is you and I

In my dreams, in my dreams
In my heart, in my mind
I see you and I, there is you and I
