

Mood Song

Angie McMahon

I wouldn't drive
Down your street
I don't drive
And I wouldn't dance
If you asked me
I'm not in the mood to jive

There's a thing you'd like to say that you won't
There's a thing I'd like to do that I can't

There is no need to explain it
Don't I know that
People, we tend to get shaky
So let's just keep that ship at bay
Keep that shit far away
From me

If there's a thing you'd like to fix, well go on
And if you'd rather not be here, move along

It's better to run
It's better to run
It's better to run
