

Push

Angie McMahon

I'll say our goodbye, goodbye, goodbye
I'll say our goodbye, goodbye, goodbye
I'll say our goodbye, goodbye, goodbye
I'll save us some time

I've never been good at hiding my feelings from my face
I let you take the lead, now I'm all dressed up with no place to go
And if I had dignity, I put it down right when we began
But I've got back my pride

Oh lover, you let me so close to the line
Push me further and further, I'll save us the time
If you're gonna push me over, I'll do it
I will say our goodbye, goodbye, goodbye
I'll save us some time

I never met her, don't want to, she'll just give a face
To the hole that I dug in this stupid minefield where I tried to plant my love
Plant my love

Oh lover, you let me so close to the line
Push me further and further, I'll save us the time
If you're gonna push me over, I'll do it
I will say our goodbye, goodbye, goodbye
I'll save us some time

Push me over the line, and I'll save us some time
Push me over the line, and I'll save us some time

I'll say our goodbye, goodbye, goodbye
I'll say our goodbye, goodbye, goodbye
I'll say our goodbye, goodbye, goodbye
I'll save us some time
