

It's Too Late

Angie Stone

Stayed in bed all morning just to pass the time
There is something wrong here, that be no denying
One of us is changing or maybe we've just stopped trying

And it's too late, baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide
And I just can't fake it, no
Oh, no
No no no

It used to be so easy living here with you
You were light and breezy and I knew just what to do
Now you look so unhappy, and I feel like a fool, yes I do

And it's too late, baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide it
And I just can't fake it, oh no
No no

There'll be good times again for me and you
But we just can't stay together, don't you feel it too
Still I'm glad for what we had, and how I loved you
Um

But it's too late, baby, now it's too late
Though we really did try to make it
Something inside has died and I can't hide it
I just can't fake it
