

Sit Down

Angie Stone

R: Sit down let me talk to you
Maybe we can get down if you want
Now or later
If you're with it I'm here to make sure it happens
In the best way for you

Sunny days
Purple haze
We chilling in the shade, oh
I can feel myself getting a rush
Oh I'm so high
Apple martinis and buffalo wings
Baby listen to the jay bird sing

R: (2x)

Cruising on in Chi-town
I'm here to tell you we just don't stop
Making our way with Marvin Gaye
Watching sunsets on the bay
Baby let me rub your body with some oil
Can we take it there
I dare you Boo

R: (2x)

Baby oh baby I said I'm loving the way that you're loving me
I'll admit I'm caught up in my fantasy
And I won't change this feeling for nothing

Sit down let me talk to you
Maybe we can get down if you want
Now or later
If you're with it I'm here to make sure it happens
In the best way for you

Sit down c'mon
Let's have a conversation
I want to be good to you (I love you boy)
Come over here baby sit down
Let me talk to ya bout what's going down sugar
I just wanna let you know that I'm feeling you
Crazy crazy about you and I'm
Loving the very ground you walk on
Baby listen to this song
You know you make me feel like a real woman.
