

Visions

Angie Stone

Visions of you in my mind
Haven't thought about it for a long long time
Why you tryin' to creep back into my life
Now that I'm over you

Now you want me to be down
For lovin' you a second time
Ain't no way cuz I'm doin' just fine
Now that I'm over you

There you go givin' me that same old vibe
You got that something something, baby
You know you rub me the right way
But we've been down this road
You took me for a ride
You left me stranded but I got over it
And got on with my life

Visions of you in my mind
Haven't thought about it for a long long time
Why you tryin' to creep back into my life
Now that I'm over you

Why should I let you back in my life
Cuz you'll only hurt me, hurt me baby
And I don't deserve to be treated that way
So I tell you what, what I'm gonna do
I'm gonna get the hell out of here
I'm not coming back to you, oh

Visions of you in my mind
Haven't thought about it for a long long time
Why you tryin' to creep back into my life
Now that I'm over you

So whatcha gonna do?
Cuz I'm not coming back to you, babe
Whatcha gon' do?
Cuz I'm not comin' back

Whatcha gonna do?
Cuz I'm not coming back to you, no
Whatcha gon' do?
Cuz I'm not comin' back
