Generation Warriors

Angra

Skies have turned to black
Destruction
Blood stains of the innocent
Primal fear has been reset
Bear my shield to face the rival
Death will be their punishment
Impale every freak of hate

Instruments of evil decimate mankind
The wreckage scattered everywhere
Now they have to face the

Generation warriors
Once enslaved by our technology
Disregard philosophy of man
Generation warriors
Lost the concept of the universe
Evolution in reverse again
Generation warriors

All is torn apart
Confusion
Streets became a battlefield
This, our day of reckoning
We dissolve the vicious regime
Disengage their relevance
Reclaim our confidence

Law and order reinstated, new decree
The devices of supremacy
Have proclaimed their legacy

Generation warriors
Once enslaved by our technology
Disregard philosophy of man
Generation warriors
Lost the concept of the universe
Evolution in reverse again
Generation warriors

Generation warriors
Once enslaved by our technology
Disregard philosophy of man
Generation warriors
Lost the concept of the universe
Evolution in reverse again
Generation warriors
We are warriors
We are heroes
