Take a pill take a pill pill pill
When I'm ill, for my brain
It's 'coz I feel sick
I can't explain, I can't explain

Five four baby three two one

Got a car got a car car car
I'm going far in my car
Got a dog got a dog dog dog
I'm a hog and you're a frog

Five four baby three two one
Gimme sopor

For my pill, I kill for kicks
