

It's Raining Today

Angry Samoans

Without you here
There's nothing left at all
Without your love, girl
There's nothing left at all

I said hey
It's raining today
I said hey
Why is it raining yeah

There's no way out
That I can't see
There's no way out
When you're not here with me

I said hey
Because it's raining today
I said no baby no
There's nothing more to say
I feel the rain

I feel the rain
And it's falling down on my head
No, no, no! I feel the rain
And I'm wishing you were dead

Because it's raining

The sun is sinking down from the sky
And there's nothing left above my head
'Cause everything that you can't see
And there's nothing better red

And the rain falls

The sun has disappeared
Up from the sky
Without your love girl
I know that you must die!

I said hey
Because it's raining today
Oh and in your arms!
There's nothing more to say
It's raining today
Because it's raining today
I said hey
Because it's raining today
