

Permanent Damage

Angry Samoans

Damage me and damage you
Yea I see damage know it's true
Damage here and damage there
Yea permanent damage everywhere

What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed

Damage me and damage you
Yea I see damage know it's true
Damage here and damage there
Fuck permanent damage everywhere

What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
What do we call when we bleed
