

## Cape Forestier

Angus & Julia Stone

Start for the sea  
I won't see you leave  
With Southport from sight  
Go to the rising light

Moving for tomorrow's shore  
Ahead of what we're looking for  
(Tell me now, tell me)

Cape Forestier  
Where do we go from here, my dear?  
(Tell me)  
Cape Forestier  
Where do we go from here?

Son of the sea  
Where will we be?  
Son of a gun  
He said "Go to the rising sun"

Sleeping underneath the stars  
Happy to be right where we are  
(Tell me, tell me)

Cape Forestier  
Where do we go from here, my dear?  
(Tell me now)  
Cape Forestier  
Where do we go from here?  
(Tell me now, tell me)

Cape Forestier  
Where do we go from here, my dear?  
Cape Forestier  
Where do we go from here?  
(Tell me now)

(Tell me now)  
Where do we go?  
Cape Forestier  
Where do we go?  
(Tell me now)

(Tell me now)
