

# From the Stalls

Angus & Julia Stone

I see it  
I see it waiting  
I saw you  
I saw you standing there  
You wanted to be over that stonewall  
Over that first floor  
Over that old hotel room

Tell them what you're here for  
You don't know  
Tell them what you're here for  
You don't know  
But you go there, go there  
But you go there, go there  
But you go there, go there  
Yeah you do

I saw them  
I saw them waiting  
What was I  
What was I thinking?  
That you wanted to be over that stonewall  
Over that first floor  
Over that old hotel room

Tell them what you're here for  
You don't know  
Tell them what you're here for  
You don't know  
But you go there, go there  
But you go there, go there  
But you go there, go there  
Yeah you do

Bobby stands behind me, feels my pulse  
Until the horses run right from the stalls  
I know you can't win this  
You've got too much in this  
You'll just stand and watch me fall  
But you wanted to be over that stonewall  
Over that first floor  
Over that old hotel room

Tell them what you're here for  
You don't know  
Tell them what you're here for  
You don't know  
But you go there, go there  
But you go there, go there  
But you go there, go there  
Yeah you do
