Going Down

Ani DiFranco

You can't get through it You can't get over it You can't get around

Just like in a dream You'll open your mouth to scream And you won't make a sound

You can't believe your eyes You can't believe your ears You can't believe your friends You can't believe you're here

And you're not gonna get through it So you are going down

I put a cup out on the window sill To catch the water as it fell Now I got a glass half full of rain To measure the time between When you said you'd come And when you actually came

Little mister limp dick Is up to his old tricks And thought he'd call me One last time But I'm just about done With the oh-woe-is-me shit And I want everything back That's mine
