

## The Diner

Ani DiFranco

I'm calling from the diner  
The diner on the corner  
I ordered two coffees  
One is for you  
I was hoping you'd join me  
'cause I ain't got no money  
And I really miss you  
I should mention that too

Yes I know what time it is  
In fact, I just checked  
I even know the date  
And the month  
And the year  
I know I haven't been sleeping  
And when I do  
I just dream of you  
Dear

I miss watching you  
Drool on your pillow  
I miss watching you  
Pull on your clothes  
I miss listening  
To you in the bathroom  
Flushing the toilet  
Blowing your nose

I'm calling from the diner  
The diner on the corner  
I ordered two coffees  
One is for you  
The cups are so close  
The steam is rising  
In one stream  
How are you

I think you're the least fucked up  
Person I've ever met  
And that may be as close to the real thing  
As I'm ever gonna get  
But my quarter's gonna run out now  
Or so I'm told  
I guess I'd better go sit down  
And wait for you  
Till my coffee gets cold
