

# The Knowing

Ani DiFranco

I have a name  
And my name has a story  
I have a look  
A sound  
A smell  
A shape  
A size  
I have a color to my hair my skin my eyes

But this is not all of who I am  
Underneath this is something more  
All of these things are just what's showing  
Underneath all that I know is The Knowing  
Underneath all that I know is The Knowing

I have a favorite blanket it's a little torn  
I have a family and a place where I was born  
I have a favorite song and a favorite food  
I have a favorite game depending on my mood

But this is not all of who I am  
Underneath this is something more  
All of these things are just what's showing  
Underneath all that I know is The Knowing  
Underneath all that I know is The Knowing

I have a life  
That I am here to live  
I have gifts that I am here to give  
I have friends and with my friends I have fun  
I have a love of the wind and of the sun  
Yes, I can take heart in what's showing  
Knowing it's all a part of The Knowing  
Yes, I can take part in what's showing  
Knowing we're all a part of The Knowing

I have beliefs and someday those beliefs might change  
I have blocks that I like to arrange and rearrange  
There are things that I'm told and things that I learn  
There are skills I've practiced and praise I've earned

But this is not all of who I am  
Underneath this is something more  
All of these things are just what's showing  
Underneath all that I know is The Knowing  
Underneath all that I know is The Knowing  
Underneath all that I know is The Knowing
