Ani DiFranco

Make me say w
New paragraph o
New paragraph w
Oh my lover you
You could get me in trouble you

Make me ashamed
To meet your mother you
Oh my lover you
You could get me in trouble you

Yes as far as the eye can see
There is no other you
My lover you
You're trouble you

Closer, closer, closer, come closer
Come closer, come closer, come closer

Make me say w
New paragraph o
