

# Which Side Are You On?

Ani DiFranco

They stole a few elections,  
Still we the people won  
We voted out corruption and  
Big corporations

We voted for an end to war  
New direction  
We ain't gonna stop now  
Until our job is done

Come on all good workers  
This year is our time  
Now there some folks in washington  
Who cares what's on our minds

Come one-come all voters  
Lets all vote next time  
Show 'em which side are you on now  
Which side are you on

Which side are you on now  
Which side are you on  
Which side are you on now  
Which side are you on

Which side are you on now  
Which side are you on  
Which side are you on now  
Which side are you on

30 years of diggin'  
Got us in this hole  
The curse of reaganomics  
Has finally taken it's toll

Lord knows the free market  
Is anything but free  
It costs dearly to the planet  
And the likes of you and me

I don't need those money lenders  
Suckin' on my tit  
A little socialism  
Don't scare me one bit!

We could do a whole lot worse  
Than europe or canada  
C'mon mr. president  
C'mon congress make the law

Which side are you on now  
Which side are you on  
Which side are you on now  
Which side are you on

They say in orleans parish  
There are no neutrals there

There's just too much misery  
There's too much despair

America who are we  
Now our innocence is gone  
Which side are you on now  
Which side are you on

Too many stories written  
Out in black and white  
C'mon people of privilege  
It's time to join the fight

Are we living in the shadow of slavery  
Or are we moving on  
Tell me which side are you on now  
Which side are you on

Which side are you on boys  
Which side are you on  
Which side are you on boys  
Which side are you on  
Which side are you on boys  
Which side are you on  
Which side are you on now  
Which side are you on

My mother was a feminist  
She taught me to see  
That the road to ruin is paved  
With patriarchy

So, let the way of the women  
Guide democracy  
From plunder and pollution  
Let mother earth be free

Feminism ain't about women  
No, that's not who it is for  
It's about a shifting consciousness  
That'll bring an end to war

So listen up you fathers  
Listen up you sons  
Which side are you on now  
Which side are you on

Which side are you on now  
Which side are you on  
Which side are you on now  
Which side are you on

So are we just consumers  
Or are we citizens  
Are we gonna make more garbage  
Or are we gonna make amends

Are you part of the solution  
Or are you part of the con?  
Which side are you on now  
Which side are you on?
