

Yeah Yr Right

Ani DiFranco

Yeah my neck is loose
And my head's on right
Got my sense of humor
And my appetite
Got my Joie De Vivre
And my yeah yr right

Don't need a sleep number
To help me sleep
Don't need to rush on home
To my TV
Don't need a chocolate bar
Or a new hairdo
I'm so into you
I'm into me too

Yeah we could make the scene
We could spiff and primp
I could be your wife
You could be my pimp
Or we could get up in the daytime
And raise a kid
I know I'd be glad if we did
I so would be glad if we did
