

A Little Shot Of Love

Ani Lorak (Ани Лорак)

Okay, alright
And you're too beautiful
So smooth and so polite
And totally charming
Just Mr. Right, the perfect kinda guy
My mother would like, my mother would like

So not my type
So Mr. Clean and white
No way that you're the one
If you were the last man on earth
I had my life
Just fine without someone
Now look what you've done
Now look what you've done
How could you go and make me need you like I do?
I can't believe that it's you, you, you
You that I'm thinkin' of

Every day, every night
Gotta have another little shot of your love
Oh, oh, in my heart, in my life
Gotta have another little shot of your love

Yeah it feels nice
But let me tell you I could stop anytime I like
Anytime, don't mean a thing
So what if I need you now?
To get through the night, get through the night
Oh, why would I choose you out of all the guys I knew?
Still can't believe that it's you, you, you
You that I'm thinkin' of

Every day, every night
Gotta have another little shot of your love
Oh, oh, in my heart, in my life
Gotta have another little shot of your love

Can't get enough, I can't get enough
Come fill me up another little shot

How could you go and make me need you like I do?
I can't believe that it's true, you
You that I'm thinkin' of

Every day, every night
Gotta have another little shot of your love (Every day)
Oh, oh, in my heart, in my life
Gotta have another little shot of your love

Every day, every night
Gotta have another little shot of your love (Your love, your love)
Oh, oh, in my heart, in my life
Gotta have another little shot of your love (Every day)
