

# Ballerina

ANIKV

All my life, I just wanna be a ballerina  
All my life, my name should be Ekaterina  
All my life, I just wanna be a sweet killer  
You go to the bank, and do your deal, dealer  
(Bang, Bang, Bang)  
All my life, I just wanna be a ballerina  
All my life, my name should be Ekaterina  
All my life, I just wanna be a sweet killer  
You go to the bank, and do your deal, dealer  
(Bang, Bang, Bang)

Murder, murder  
My heart is on order  
I smoke Mary Jane, you drink dry soda (Yea!)  
You take my heart, I take yours, God bless ya  
Sorry darling, I'm not a darling  
You asked me: "What about your love?"  
But I need your dolla'  
(Dolla', dolla', dolla', dolla')

All my life, I just wanna be a ballerina  
All my life, my name should be Ekaterina  
All my life, I just wanna be a sweet killer  
You go to the bank, and do your deal, dealer  
(Bang, Bang, Bang)

Naughty by Nature  
And I'm not so holy  
My elder brother got me end, and AK-47  
My second brother left home to the blue navy  
The root that you choose is necessary  
The root that you choose is necessary

All my life, I just wanna be a ballerina  
All my life, my name should be Ekaterina  
All my life, I just wanna be a sweet killer  
You go to the bank, and do your deal, dealer  
(Bang, Bang, Bang)

Mother, mother  
I'll never be another  
You cried when the judge gave the crazy verdict  
Though the judge is a liar  
But I don't care, I'm just another trouble addict  
When judge asked me what I want  
I said I wanna die, die, die, die (Die, die, die, die)  
Die, die, die, die (Die, die, die, die)  
Die, die, die, die

All my life, I just wanna be a ballerina  
All my life, my name should be Ekaterina  
All my life, I just wanna be a sweet killer  
You go to the bank, and do your deal, dealer  
(Bang, Bang, Bang)

All my life, I just wanna be a ballerina  
All my life, my name should be Ekaterina
