I make everything look easy
A stays in his Yeezy's
Play with me bae please me
Can't help that I'm sleazy
Let's tape it for the TV
X rated no PG
Haze got me so weezy
Nose candy no sneezing
House looking like a strip scene
Shorty thick enough to rip jeans
Got her playing with the whip cream
Started licking up the dick clean
Ass thick enough to hit forever
Bad bitch an it don't get no better
No glass slipper this ain't cinderella
This a stripper thick enough to kill a fella
Feelin like the boy the greatest
Long awaited but we made it
Feeling more than motivated
These other boys are over rated
G-string on her might break
We paid at a high rate
He's keeps the game irate
Cause I make, I make

I make everything look easy, gained fame so easy
Maintained it, easy
Made change so, easy
Made greatness, easy
Everythings' so easy
Made change, gained fame, maintained it, easy
I make everything look easy, gained fame so easy
Maintained it, easy
Made change so, easy

You're now rocking to an expert
Try and talk a little lesser
While I'm dropping knowledge like I'm dexter
Shorty listen this my lecture

Oh you tryna give me gestures?
Oh you checkin for my net worth?
Let's connect and we can network
Give me neck until your neck hurts
Keep it G is what I go by
We be speakin for the low lives
I don't need to feed her no lies
She could see it with her own eyes
I'm in a league of my own kind
Homie I be on my own time
I keep it street like a road sign
I don't need nobodys cosign
Never begging for no favors
Never lettin nothing phase us
If they hate then let them hate us
Yes I'm headed for the majors
G-string on her might break
We paid at a high rate
He keeps the game irate
Cause I make, I make

I make everything look easy, gained fame so easy
Maintained it, easy
Made change so, easy
Made greatness, easy
