Rapping addict I would rap in attics was a tad dramatic used to act erratic
Couldn't stand the sadness took a pack of xanax
To reduce and manage every gram of madness
I was used to snapping like a panoramic
Never planned to panic but this mans a manic
Had a status that is known for savage habits
With a crazy plan to go inhabit planets
Watch how my knowledge increases, as soon as the monster unleashes
Inside of me like I'm a zombie and then I'ma chop you to pieces
Send you to Buddha, Mohammad, or Jesus
Whatever your common belief is
I'm in a league of the higher allegiance
You should aspire to try and reach us
A Nightmare of a samaritan
