

# Necrosadistic Masturbation Upon the Mary's Disemboweled Corpse

Anima Damnata

Winds of hate - crush the skies  
Summon the Dark One - Satan Rise!

Decomposing virgin slut  
I will f\*\*k her corpse for eons  
Chant the blasphemies  
To the Lord Of Broken Promises

I arson the crucifix  
Put it up her rotting cunt  
Lick her prolapsed rectum  
End the feast of vermin

Necrosadistic masturbation

Storm of cumshots!

Dive among her guts  
Gutsf\*\*k goes on  
In vomit and shit  
I lay breathless

Necrosadistic masturbation  
Upon the mary's disemboweled corpse  
Gives me demon-wings to fly up high  
Towards Satan's throne.
