

The Softest Voice

Animal Collective

I feel alright
I found a place that fits tight
Its feels small
But I won't get sad about it
The softest voice said to me
All through last night
I forget
But I won't feel bad about it
I'll stay inside and
Find a page that sounds right
Bombs outside
Such small birds laughing at me

Be me
Be mine
I might have not have reminded you to feel
(Mine to feel)

Be me
Be mine
I might have not reminded you to feel
(Mine to feel)

I feel alright
I found a face that fits tight
It feels small
But I won't get sad about it
