

## Chalk Songs

### Animal Kingdom

Sometimes, feel Im  
Floating, floating

I look up, and the sky was  
Broken, broken

I woke up, and my hand was  
Open.  
Open.

When all you want is a rainbow  
And all you get is the rain

Ill be drawing chalk stars, on a blackboard  
Seeing rainbows in a raincloud  
Dont you know we all cry,  
Honey, sometime  
When the sun goes down  
When the sun goes down.

Dreamt I, was a dark sky  
And the dawn was  
Breaking

I woke up, and my heart was  
Aching, honey it was aching.  
And so

When all you want is a rainbow  
And all you get is the rain

Ill be drawing chalk stars, on a blackboard  
Seeing rainbows in a raincloud  
Dont you know we all cry,  
Honey, sometimes  
In the cold light of day.  
Sleeping at the wheel  
Sleeping at the wheel.
