Other Pirates: We are very, very kind, he's an evil mastermind and he'll do cruel things to you...

Mel: I'll kick you in the knee, poke your eye so you can't see and hit you with my sword. But I'd be a pirate swine so I have to draw the line so I will not throw you overboard.

Other Pirates: What never?

Mel: No Never.

Other Pirates: What never?

Mel: Hardly ever!
