

Leaver

Anime

I feel silence still scaring you
I still see you lost
In your words
Of nothing
Muscle tension

Far away
Recovered
Is what you are showing me
Wish you were
Do I wish you were?

All the things I haven't done
Leak out through my skin
Can't be washed away
Smells like the lonely ones

I guess it's all for now
TV works on somehow
I didn't want to know
I didn't want to grow up
Sometimes I feel like we're
Just held behind our fear
And I hate to hear your name
It always feels the same
Way to me
