No equality (No equality)  
Be still (Be still)  
I will not (I will not) accept defeat (accept defeat)

I will have you

I will find a way and I will have you  
Like a butterfly

I will collect you and capture you

I feed you I drink you  
My day and my night  
I need you I need you  
By sun or candlelight  
You protest; you want to leave  
Stay, oh, (there's no alternative) there's no alternative

Your face appears again  
I see the beauty there  
But I see danger  
Stranger beware  
Of circumstance in your naked dreams  
Your affection is not what it seems
