

# Lead Me into Love

Anita Baker

We may never understand  
If love just happens or it's planned  
We must believe our spirits know somehow  
Baby, we can't stop the falling we feel now (oooh)

New emotions overflow  
And now this heartbeat wants control (oooh baby)  
If the love was meant to be so strong  
Something close to magic's coming on

Take my heart and lead me into love  
Light the way for me  
Without your touch, I cannot see  
Lead me into love  
I'm deep in the miracle of you (oooh)

When we feel excitement rise  
We'll share the secrets found in lovers eyes  
You'll speak the words of love  
I'll speak them too  
Baby ain't no stopping me when I'm with you  
Honey take this heart

And lead me into love  
Light the way for me  
Without your touch, I cannot see  
Lead me into to love  
I'm deep in the miracle  
(deep in the miracle of you)  
Baby (yeah)

I...I keep telling you  
I...Bring it too me baby  
I need you, to bring me the miracle  
Baby  
Honey want you  
Baby I see  
I tell that I'm no good  
Ti'll you show me that your desire is complete and I'm all yours

Baby, baby, baby  
Oh teach,teach me  
The way baby  
Deep in the miracle  
Come on show me  
Shine, shine your light on me  
I can't see without you  
I can't move without you  
I can't live without you

Baby

Shine, shine your light on me
