Hush now don't explain I know you raise Cain I'm glad you're back Don't explain

Quiet, don't explain You mixed with some dame Skip that lipstick Don't explain

You know that I love you and what love endures All my thoughts are of you

For I'm so completely yours
Cry to hear folks chatter, and I know you cheat
But right and wrong don't matter when you're with me sleep

Hush now, don't explain You're my joy and pain My life's yours love Don't explain
