

## Medley: There Will Never Be Another You / Just Friends

Anita O'Day

There will be many other nights like this  
And I'll be standing here with someone new  
There will be other songs to sing, another fall, another spring  
But there will never be another you

There will be other lips that I may kiss  
But they won't thrill me like yours used to do  
Yes, I may dream a million dreams but how can they come true  
If there will never ever be another you

There will be other lips that I may kiss  
But they won't thrill me like yours used to do  
Yes, I may dream a million dreams but how can they come true  
If there will never ever be another you

Just You

I was resting comfortably, face down in the gutter  
Life was serene, I knew where I was at  
"There's no hope for him," my dearest friends would mutter  
I was something dragged in by the cat. Then  
Just in time, I found you just in time  
Before you came my time was running low  
I was lost, the losing dice were tossed  
My bridges all were crossed, nowhere to go  
Now you're here and now I know just where I'm going  
No more doubt or fear, I found my way  
For love came just in time, you found me just in time  
And changed my lonely life that lovely day
