

Some Other Spring

Anita O'Day

Some other spring
I'll try to love
Now I still cling
To faded blossoms

Fresh when worn
Left crushed and torn
Like the love affair I mourn

Some other spring
When twilight falls
Will the nights bring
Another to me?

Not your kind
But let me find
It's not true that love is blind

Sunshine's around me
But deep in my heart it's cold as ice
Love, once you've found me
But can that story unfold twice?

Some other spring
Will my heart awake?
Stirring to sing
Love's magic music

Then forget the old duet
And love with some other spring

Sunshine's around me
But deep in my heart it's cold as ice
Love, once you've found me
But can that story be told twice?

Some other spring
Will my heart awake?
Stirring to sing
Love's magic music

Then forget the old duet
And love with some other spring
