

# Whisper Not

Anita O'Day

Sing low, Sing clear  
Sweet words in my ear  
Not a whisper of despair  
But love's own prayer

Sing on, until  
You bring back the thrill  
Of a sentimental tune  
That died too soon

Our harmony was lost  
But you forgave, I forgot  
Whisper not of quarrels past  
You know we've had our last

So now, we'll be  
On key constantly  
Love will whisper on eternally

Why did we listen when they said it wouldn't last  
Gossiping voices made us break up, but you know we still can make up  
If we forget 'em all, and answer Cupid's call  
It's the truth!

Whispers of troubles are an echo of the past  
All it will take to lose my gloom is just a whisper not of rumors  
But of your love for me  
That's how it's got to be
