

A Real Love

Anita Wilson

This is full transparency
Sometimes I deal with insecurities
Cause it can be so hard to see
All of the beautiful things about me, yeah

There will be some days
When you're in a space
Take a look in the mirror and say
I'm exactly who He meant to create

Oh!

Took a while now I see (a real love)
It was God inside of me (a real love)
Finally I'm free (a real love)
To be the me that He designed me to be

Now I'm not acting like it's all alright
Sometimes I still have to put up a fight
And remind myself just who I am
All my flaws I know He understands

There will be some days
When you're in a space
Take a look in the mirror and say
I'm exactly who He meant to create

Oh!

Took a while now I see (a real love)
It was God inside of me (a real love)
Finally I'm free (a real love)
To be the me that He designed me to be

And now I'm in love
I'm in love, I'm in love, I'm in love
'Cause God is real love
God is love, God is love, God is love

And now I'm in love
I'm in love, I'm in love, I'm in love
'Cause God is real love
God is love, God is love, God is love

They don't even know (they don't know)
Some days I been on that stage
Kinda in a daze
Feelin' like I wanna go (where you goin')
Anywhere that I won't be seen
Do I look okay (Yeah!)
Am I really good enough (uh huh)
Do I fit in (yeah)
(Girl ride the wave and catch that stream, good vibes!)
I can only be me Yeah

So go on and let 'em see (let 'em see)
That light that only I can shine

It's not me y'all, it's God using what's on the inside
Yeah, after lovin' and losin' I really see
Everything we're doing here is only temporary
Don't want my time to catch me up before I'm ready
The road'll be a little rough but God'll keep me steady
You see the clock is ticking
And one day it'll run out
Man you better make sure you ain't chasin' no clout!
But rather hit this dark, dark world with your light and let it shine
Oh yeah and stop all that overthinking girl, everything will be fine

And now I'm in love
I'm in love, I'm in love, I'm in love
'Cause God is real love
God is love, God is love, God is love, God is love

Took a while now I see (a real love)
It was God inside of me (a real love)
Finally I'm free (a real love)
To be the me that He designed me to be

Every day I gotta try
To make me proud but I can't lie
It's not as easy as it seems
But I've got everything that I'm gonna need, yeah

Took a while now I see
It was God inside of me
Finally I'm free
To be the me that He designed me to be, awwh

Yeah
