

Here's To Life

Anita Wilson

No complaints and no regrets
I still believe in chasing dreams
And placing bets
Though I have learned that all you give
Is all you get
So give it all you've got

I've had my share, I drank my fill
And even though I'm satisfied
I'm hungry still
To see what's down another road
Beyond a hill
And do it all again

So here's to life
And every joy it brings
Yes here's to life
To dreamers and their dreams

It's funny how time just flies
How love can go from warm hellos
To sad goodbyes
And leave you with the memories
You've memorized
To keep your winters warm

For there's no yes in yesterday
And who knows what tomorrow brings
Or takes away
As long as I'm still in the game
I want to play
For laughs, for life, for love

So here's to life, oh
And every joy it brings
Yes here's to life
To dreamers and their dreams

May all your storms be weathered
And all that's good get better
Here's to life, here's to love
Here's to you

May all your storms be weathered
And all that's good get better
Here's to life, here's to love
Here's to you
