

# Honor You/No Greater Love

Anita Wilson

You, there is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You

There is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You

You, there is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You

There is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You

There's no greater love  
Than the love that You have for me  
You died unselfishly  
I can't imagine where I would be  
If You didn't give Your life for me  
It's so amazing  
That You thought enough of me  
To shed Your blood on Calvary  
There is no greater love than You

There's no greater love  
Than the love that You have for me  
You died unselfishly  
I can't imagine where I would be  
If You didn't give Your life for me  
It's so amazing  
That You thought enough of me  
To shed Your blood on Calvary  
There is no greater love than You

You, there is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You

There is no one like You  
No one compares to You  
And all of the things that You do  
I will always honor You
