

It's Done

Anita Wilson

It's done!
What I shall be I already am
It's done!
God has worked it out on my behalf
My eyes my not see it
By faith I receive it
It will manifest
It's already done!
...

Praise him in advance
Worship in advance
Praise him in advance
Worship in advance

Done!
Done!
It's already done!
Done!
Done!
It's already done!

My healing
My healing
It's already done!
My victory
My victory
It's already done!
Your healing
Your victory
It's already done!
Power
For this hour
It's already done!
Favor
For my neighbor
Favor
For my neighbor
Favor
For me
Favor
For me
I receive my healing
I receive my victory
It's already done!
It's already done!
It will manifest
It's already done!
It will manifest
It's already done!
It will manifest
It's already done!
