

Keep On Praisin'

Anita Wilson

Every time I think about your goodness
Every time I think of your mercy towards me
I can't help but step into the garments on praise
Yeah (yeah), oh I (oh I)
What is man that thou are mindful of them
Without you Lord my life would darker then dim
I will never cease to glorify your name
Yeah (yeah), oh I (oh I)

There is no limit to how far I'll go
I want the world to know
That I am a living testimony
For just how good you've been to me

Lord I must keep on praisin'
Your grace is so amazing
Even if they say I crazy
I'm gonna praise your name

Circumstances may say bow my head and cry
But the holy spirit says I can dry my weeping eyes
Thou I am with you always until the end of the world
Yeah (yeah), oh I (oh I)
Even when my times they get rough and tough
That's when I remember that my God
He is more than enough
He will never leave nor He'll be right by my side
Yeah, hey, oh...

There is no limit to how far I'll go
I want the world to know
That I am a living testimony
For just how good you've been to me

Lord I must keep on praisin'
Your grace is so amazing
Even if they say I crazy
I'm gonna praise your name
