

Making Ways

Anita Wilson

There are times it feels that God has forgotten all about you
Mmm but I want you to know that He has a special plan for you in mind... Ahh
h
Every now and then the load gets a little bit heavy, ugh
But I'm a living witness
He'll show up for you in the nick of time
Ahhh I came here to tell you

He's still making ways
He's still making ways, making ways out of no way
Keeps keeping me every day yeah
He's still making ways
Too much for me to tell
I know Him for myself

I believe in my heart that the Lord'll never ever leave you
Just take a second and think about the times He came through before
(Now I know) it's rainy, dark and cloudy weather, Lord have mercy
(Just keep your mind on him)
He'll give you peace in the middle of the storm
Ahhh I came here to tell you...

He's still making ways
Yesterday, today and forever
Don't you worry 'bout a thang
He's still the same
He's still making ways

Can I tell you a lil' story?

(He's still making ways)

I remember Job lost everything he had
His kids, servants, his crops and animals
His wife said it was looking real bad
Yay yay but he still said though He slay me, yet will I trust Him
And he got back everything he needed and more
All I'm trying to say, all I'm trying to say is...

He'll walk witchu
He'll talk witchu
He'll let you know everything is gonna be alright

He'll walk witchu
He'll talk witchu
He'll let you know everything is gonna be alright

Everything will be alright now
Oh ooh yeah

He's still making ways

He's still making ways
I want everybody to know
He's still making ways yeah
Don't have to think back too far
Woke me up early this morning y'all

He's still making ways yeah
Every time I turn the lights on
Every time I have food in my belly y'all
God did it again
Things aren't always perfect
But I decided to be like Job
Though He slay me yet will I trust Him
Oh yeah

He ain't done yet y'all!

He's still making ways
Making ways outta no way
When I couldn't make a dollar
He made change...
Turned it all around and rearranged things

And I'm really glad about it
Aye
And I'm really glad about it
He's still in the blessing bidness yeah
And He's still in the healing bidness yeah

You ask me how I know He is
I'm a living witness that He is
I'm a living witness that He is...
Jesus is still making ways
