

# Perfect Love Song

Anita Wilson

When I begin to write  
So many thoughts cross my mind  
I'm reminded of every time that You protected me  
So I composed these words to say  
Don't ever take Your love away  
'Cause to me You are the greatest masterpiece  
I hear

I hear a melody inside my heart  
Every time I begin to think of the way You care for me  
Beautiful harmony  
To know that I am in love with You and You're in love with me  
You are the lyrics to a perfect love song

May this sound be pleasing to Your ears  
This passion in my heart, it is so sincere  
I never knew that love could be just like a symphony  
Playing in the perfect key  
This is what You are to me

I hear a melody inside my heart  
Every time I begin to think of the way You care for me  
Beautiful harmony  
To know that I am in love with You and You're in love with me  
You are the lyrics to a perfect love song

I lift my hands as a sign to say  
I love You from the bottom of my heart  
I can't contain the way I feel inside  
I sing this song to You  
I don't know why You love me like You do  
But in this tune  
I will worship You

I hear a melody inside my heart  
Every time I begin to think of the way You care for me  
Beautiful harmony  
To know that I am in love with You and You're in love with me  
You are the lyrics to a perfect love song

I lift my hands as a sign to say  
I love You from the bottom of my heart  
I can't contain the way I feel inside  
I sing this song to You  
I don't know why You love me like You do  
But in this tune  
I will worship You

I hear a melody inside my heart  
Every time I begin to think of the way You care for me  
Beautiful harmony  
To know that I am in love with You and You're in love with me  
You are the lyrics to a perfect love song  
I love You, yes I love You with all of my heart You are  
I love You, I love You, I love You Lord today  
Because You care for me, You are  
I love You Jesus, I worship and adore You, Just want to tell You, You are

No greater love, no greater love, Jesus went to Calvary to save a wretch like me, oh

I lift my hands as a sign to say  
I love You from the bottom of my heart  
I can't contain the way I feel inside  
I sing this song to You  
I don't know why You love me like You do  
But in this tune  
I will worship You

I hear a melody inside my heart  
Every time I begin to think of the way You care for me  
Beautiful harmony  
To know that I am in love with You and You're in love with me  
You are the lyrics to a perfect love song
