Anitta

Vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai,
, vai, vai (Ai, ai)

This lil' pussy got grip, grip, grip
Better know who you're messing with, with, with
I could make your face my chair and sit, sit, sit
Make you spend all that cash quick, quick
But I'm too busy with this bag, though

Vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai,
, vai, vai (Ai, ai)
Vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai,
, vai, vai (Ai, ai)

This lil' pussy got grip, grip, grip
Better know who you're messing with, with, with
I could make your face my chair and sit, sit, sit
Make you spend all that cash quick, quick
But I'm too busy with this bag, though

Que hermosa, gostosa
She parties with me, peligrosa
Coming to the after, smell like rosa
Put it in your mouth, deliciosa

Vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai,
, vai, vai (Ai, ai)
Vai, Vai, vai, vai, vai, vai, vai, vai, vai, vai, vai, vai (Ai,
ai)

Tá gostoso

This lil' pussy got grip, grip, grip
Better know who you're messing with, with, with
I could make your face my chair and sit, sit, sit
Make you spend all that cash quick, quick
But I'm too busy with this bag, though

Grip, grip, g-g-g-grip, grip
Quick, quick, but I'm too busy with this bag, though
