## At Last

## **Ann Hampton Callaway**

At last my love has come along My lonely days are over And life is like a song

Yeah, at last the skies above are blue My heart was wrapped up in clover On the night I looked at you

I found a dream that I can speak to A dream that I can call my own I found a thrill to press my cheek to A thrill I have never known

You smiled then the spell was cast And here we are in heaven For you are mine at last
