

Act Right

Ann Marie

The look you give me when you mad at me
Just make me want you more (Make me want you more)
Now daddy come and drop the dick off
Fuck you yellin' at me for? (Yelling at me for)
You know how to fix my attitude
You know just what I need (Know just what I need)
Baby even when I'm mad at you
This where I wanna be (Oh, yeah)

I be like fuck you, but I really wanna fuck you
Just pull up on me and come get it (Come get it)
Boy you look good when you mad
Make that pussy get wet
That's why I talk shit and I admit it (I admit it)
But you know just what I'm on
I want you to fuck me all night long

Come here daddy, you know I can't stay mad at you
When I be talkin' crazy that mean fix my attitude
Come slide on me right now, boy I know how to handle you
I'ma wrap my leg around your face
You can turn me around, put me in my place
So what you say?
Come here daddy, you know I can't stay mad at you
When I be talkin' crazy that mean fix my attitude (Ooh, ooh, woah)
Come slide on me right now, boy I know how to handle you
I'ma wrap my leg around your face
Turn me around, put me in my place (Place)
So what you say? (Say)

When I tell you I wanna leave
When I want you to make me stay (You to make me stay)
I know you don't play 'bout me
Boy, I'm gon' always get my way (Always get my way)
The way you grab my neck and slap my ass
And grip me by my waist (Grip me by my waist)
After we been gettin' into it all day
Made me get my shit together
Daddy you be layin' dick (You be laying dick)
Had me in all types of positions
Baby why you talkin' shit? (Why you talking shit?)
That shit get me all the time
Boy, we gotta run it back (run it back)
Now I'm bringin' up some shit
When we first met (when we first met)

So you can give me backshots
Get me straight and low my back out
Know she be wet but when you mad
Boy she get wetter
I hate to say it
But I like it when we break up
'Cause I love how we be fuckin' (Fuckin')
When we make up (Make up)

Come here daddy, you know I can't stay mad at you (Yeah)
When I be talkin' crazy that mean fix my attitude (Crazy, fix)

Come slide on me right now, boy I know how to handle you (You know what to do)
I'ma wrap my leg around your face
You can turn me around, put me in my place
So what you say?
Come here daddy, you know I can't stay mad at you (Can't stay)
When I be talkin' crazy that mean fix my attitude (Come here)
Come slide on me right now, boy I know how to handle you
I'ma wrap my legs around your face
You can turn me around, put me in my place
So what you say? (Say)

When I tell you I wanna leave
You done make me stay, oh yeah
Come and drop that dick off
Fuck you yellin' at me for?
