

# Drip

Ann Marie

I put my hands up on your hip and when I dip, you dip, we dip  
Boy this pussy got that wet wet got that drip, that drip, that drip  
I fuck your hair up and tomorrow give you something for your beautician  
See tonight is gone get crazy cause that Henny I've been sipping  
You dance up in the mirror I hope that you like that on the dick  
Baby I'm gone get on top and Imma ride it to the tip  
I put my lips up on the ones that's by your neck and on your hips  
Oh it taste like aquafina baby gone and take a sip aye

I got that splash, I got that drip, baby I got that water (aye)  
I got that thang, make you go insane, make you go in yo wallet (aye)  
Run up them numbers, spend a few hunnids, go head and flaunt it (aye)  
I know you want it, come get up on it, show me you own it  
Baby you got perfect timing  
Beat up the pussy I love when you violent (aye)  
Wanna feel you when you deep inside it  
Baby I love the view when you behind it (aye)  
These other niggas done tried it  
But they can't get close to my body  
Bad and exotic, all of they topics  
Come make it drip like a faucet

I put my hands up on your hip and when I dip, you dip, we dip  
Boy this pussy got that wet wet got that drip, that drip, that drip  
I fuck your hair up and tomorrow give you something for your beautician  
See tonight is gone get crazy cause that Henny I've been sipping  
You dance up in the mirror I hope that you like that on the dick  
Baby I'm gone get on top and Imma ride it to the tip  
I put my lips up on the ones that's by your neck and on your hips  
Oh it taste like aquafina baby gone and take a sip aye

Throw it back on the dick, spin around do a trick yea  
Fuck around do a split yea, sweat it out get it fixed yea  
We got bottles pourin all night  
We ain't going home right now but I need that...  
Body grinding on mine, show me what it feels like  
Love when you turn me on  
So Long, boy I ain't had it in so long  
Need you to snap like a photo  
Ima go high when you go low  
Neighbors gone hear me shout, bae beat it up make me scream real loud  
Baby make it flood make it rain right now  
Pussy so good ain't no pulling out

I put my hands up on your hip and when I dip, you dip, we dip  
Boy this pussy got that wet wet got that drip, that drip, that drip
