

Just Do It

Ann Marie

I be the first to admit it, shit baby I'm scared
Cause I'm falling for you and I ain't felt this way bout a nigga in years
Til you came along start fuckin' with my head
Now you all I think about and baby this shit weird
It's been a minute since I cared

Cause I ain't really over
How them niggas did me
So I think it's best that we move slow
Cause you know I ain't with all them games
You ain't fucking no lame
Just be clear what you really want
Cause you know if you with it I'm with it
You feel it I feel it
Ain't for all the leading on
Cause baby you get it I get it
We both from the trenches
Yea we both done been did wrong

So baby, tell me how you feel
Don't hold back just do it
Show me this shit real
Just don't make me look stupid baby
If you say you tryna build
Then fuck it let's get to it baby
Just don't waste my time

So baby, tell me how you feel
Don't hold back just do it
Show me this shit real
Just don't make me look stupid baby
If you say you tryna build
Then fuck it let's get to it baby
Just don't waste my time, time

To be honest it's hard to express how I feel
But something inside me like fuck it, don't doubt it, just show him it's real
But these niggas scarred me bae to be honest I ain't healed
Some how you made me want you from the moment that we chilled
I like your vibe but baby still
I ain't really over
How them niggas did me

So I think it's best that we move slow
Cause you know I ain't wit all them games you ain't fucking no lame
Just be clear what you really want
Cause you know if you with it I'm with it
You feel it I feel it
Ain't for all the leading on
Cause baby you get it I get it
We both from the trenches
Yea, we both done been did wrong

So baby, tell me how you feel
Don't hold back just do it
Show me this shit real

Just don't make me look stupid baby
If you say you tryna build
Then fuck it let's get to it baby
Just don't waste my time

So baby, tell me how you feel
Don't hold back just do it baby
Show me this shit real
Just don't make me look stupid baby
If you say you tryna build
Then fuck it let's get to it baby
Just don't waste my time, time

Yeah yeah
Show me this shit real don't hold back
Just do it bae, yea yea
