

# Karma

Ann Marie

Congratulations  
Guess you the first nigga got close enough to play me  
Contemplating  
Ooh, I'm thinking 'bout doing something crazy  
My mind racing  
So I'ma exhale, sit back, and just get faded  
We both know, baby  
You gon' hate you met me

You gon' regret it when I find somebody different  
I know you'll be back, but boy, this time it ain't no fixing  
I'll hurt more than your feelings so it's best you keep your distance  
Boy, I'ma find someone to give me everything I'm missing  
Karma's a bitch, and her name Ann Marie  
You ain't on shit, shorty, I ain't even gon' make a scene  
'Cause you ain't even that fine to be wasting my time  
That dick too small to be acting so big  
Can you picture in your mind shorty breaking my spine?  
Show you why you shouldn't play with me  
Baby, karma's a bitch

So I hear you wanna fix us  
Should've act right back when I gave a fuck  
Know you wishing you were here when you next to her  
Know I'm all up in your head while you sexing her  
Thought about beating up them hoes  
Even thought about burning up your clothes  
But the best karma was me letting you go  
Now sit back, shorty, watch this glow

You gon' regret it when I find somebody different  
I know you'll be back, but boy, this time it ain't no fixing  
I'll hurt more than your feelings so it's best you keep your distance  
Boy, I'ma find someone to give me everything I'm missing  
Karma's a bitch, and her name Ann Marie  
You ain't on shit, shorty, I ain't even gon' make a scene  
'Cause you ain't even that fine to be wasting my time  
That dick too small to be acting so big  
Can you picture in your mind shorty breaking my spine?  
Show you why you shouldn't play with me  
Baby, karma's a bitch
