

Sexting

Ann Marie

Baby, come spend the night
I've been missing you
Can only imagine all the things that we can do
You been on my mind
I done had a drink or two
I was sipping on this Hennessy, now I'm drunk texting you

Saying what I'm gon' do, just hop in your ride
Send that text, say that you're outside
'Fore we make it back to the room
Got you undressing me with your eyes
Turn me on and turn off them lights
Then after that, proceed to my thighs
Boy, I swear you're so damn fine
You're like a blessing in disguise

Got me drunk texting you
Thinking 'bout sex with you
When I'm drunk texting you
I'm thinking 'bout sex, thinking 'bout sex with you

When you get here, I won't play no games
I'm tryna sit right on your face
Best you ever had, it ain't up for debate
Know you love the way it tastes
Know what time it is when you get that text

Saying what I'm gon' do, just hop in your ride
Send that text, say that you're outside
'Fore we make it back to the room
Got you undressing me with your eyes
Turn me on and turn off them lights
Then after that, proceed to my thighs
Boy, I swear you're so damn fine
You're like a blessing in disguise

Got me drunk texting you
Thinking 'bout sex with you
When I'm drunk texting you
I'm thinking 'bout sex, thinking 'bout sex with you

Got me drunk texting you
I'm thinking 'bout sex, thinking 'bout sex with you
