On God, Quincy gon' be a hit (On God, Quincy gon' be a hit)
Yeah-yeah, yeah-yeah
Yeah-yeah
Yeah-yeah, yeah-yeah

Daddy come over, yeah,
Daddy come over (Come over)
Got a confession, want you obsessin', boy, you gon' love it (Yeah, yeah)
Bae, you know what's up with me
(Oh oh)
You know how to fuck with me
(Oh, oh)
'Cause the way that I'm comin' is different
I'm nothin' like these bitches (Yeah)
That's the reason you stuck on me (Yeah)

So baby, slide right now (Right now), right now
I know you tired of fuckin' with these hoes by now (By now), by now
So baby, come and slide right now (Right now), right now
Daddy, I'm gon' make you love it (Gon' make you love it)
You won't wanna leave, I swear (Won't wanna leave, I swear)
So baby, slide right now (Right now), right now
I know you tired of fuckin' with these hoes by now (By now), right now
So baby, come and slide right now (Right now), right now
Daddy, I'm gon' make you love it (Gon' make you love it)
You won't wanna leave, I swear (Won't wanna leave, I swear)

Said, "Bae, what you want with me?" (What's up?)
Tryna get you alone with me (Yeah, yeah)
And show you a vibe that she can't provide, boy, you can't go wrong with me
You said that hoe don't do it for you
I'm finna remove her for you (Yeah, yeah)
'Cause why the fuck is we waitin'? I'm done bein' patient, it's your daddy,
now come take it

So baby, slide right now (Right now), right now (Yeah, yeah)
I know you tired of fuckin' with these hoes by now (By now), right now
So baby, come and slide right now (Right now), right now
Daddy, I'm gon' make you love it
(Gon' make you love it)
You won't wanna leave, I swear (Won't wanna leave, I swear)
So baby, slide right now (Right now), right now
I know you tired of fuckin' with these hoes by now (I know you tired of fuck
in' with these hoes by now, by now)
So baby, come and slide right now (Right now), right now
Daddy, I'm gon' make you love it (Gon' make you love it)
You won't wanna leave, I swear (Won't wanna leave, I swear)

Slide right now
Yeah-yeah, come catch a vibe right now
Come over, yeah
Come over, come over, come over, baby, yeah
Vibe right now, uh, vibe right now
Come catch a vibe right now, yeah, yeah
Come catch a vibe right now
Vibe right now, vibe right now, yeah
Come catch a-
