

# The One

Ann Marie

I ain't the type that's gonna blow you up  
After we break up  
I'm the type of bitch to call your bluff  
I ain't the one that's gonna  
Take you back  
If the shit goes bad  
I'm the type of bitch to get a nigga back  
And I ain't a bitch that's gonna beef with these hoes  
If you wanna be a hoe  
I'm the type of bitch to let a nigga go  
Type of bitch that's quick to let a nigga know  
You ain't choose me, you was chose  
So you could play it crazy with me if you want to  
I'll just find another nigga to do what you don't do  
It's a lotta different niggas who'd stay if they was in your shoes  
So just know I'm only fucking with you  
'Cause I want to  
See I ain't the bitch to give you chance after chance after chance  
I'm the type to roll a blunt  
Then get high and forget  
I'm the type to run it up instead of running to a man  
And baby, I don't give a fuck  
'Cause you won't find me again

'Cause, I don't need no man  
Bitch, I'm what a nigga need (what a nigga need)  
So boy, don't fuck up  
'Cause the streets been waiting on me  
No matter where you look  
Boy, there won't be another me (won't be another me)  
So you better off playing with your dick  
'Fore you think you can play with me

'Cause baby, I'm the one  
'Cause baby, I'm the one  
'Cause baby, I don't need no nigga  
Bitch, I'm what a nigga need (I'm what a nigga need)  
'Cause baby, I'm the one

I ain't the bitch that's gon' watch your page  
Tryna see what you sayin'  
I'm the type of bitch to go about my day  
I ain't the ex to make it hard on the next  
I ain't never that pressed  
Bitch, I'll leave you niggas  
I don't care less  
And I ain't the bitch that's gon' be sending you texts  
Trying to bring up our past  
Baby, I don't give a fuck about that  
Once I leave, ain't no getting me back  
Boy, you should've known what you had (what you had)  
'Cause now I gotta show you that baby, I kill niggas  
'Cause you know I'm that bitch  
But lil baby, I'm that nigga  
These niggas can't wait on the day that I dismiss you  
But when it's all said and done  
Lil baby, I won't miss you

Boy, I wouldn't even care if I don't see you again  
Told you if you fuck this up  
Then you won't get another chance  
I'm the type of bitch to turn your favorite nigga to a fan  
So hoe, if you ever play with mine  
Make sure yours in the crib

'Cause I don't need no nigga  
Bitch, I'm what a nigga need  
So boy, don't fuck up  
'Cause the streets been waiting on me (still waitin' on me)  
No matter where you look  
Boy, there won't be another me (won't be another me)  
So you better off playing with your dick  
'Fore you think you can play with me'

Cause baby, I'm the one  
'Cause baby, I'm the one  
( 'Cause baby, I'm the one)  
'Cause I don' need no niggas  
Bitch, I'm what a nigga need (I'm what a nigga need)  
'Cause baby, I'm the one

Yeah  
Yeah, yeah  
Yeah  
Yeah, yeah  
(Yeah, you know bitch, I'm what a nigga need)
