

# Run Run Run

Ann Peebles

Run, run, run, that's all you do  
You're doin' the same ol' thing, you never do nothin' new  
Playin' the same ol' game  
I can't get through to you  
What am I gonna do?  
A man I wanna lose

You're just drivin' slow  
Gettin' nowhere fast  
And at the rate you're goin  
Don't ya know you just can't last  
Time is gonna pass you by  
You won't have time to cry  
I might say goodbye  
You won't know the reason why

Run, run, run, that's all you do  
You're doin' the same ol' thing, you never do nothin' new  
Playin' the same ol' game  
I can't get through to you  
What am I gonna do?  
A man I wanna lose

You just dream, dream, dream  
But it won't come true  
I've been tryin' harder baby  
But I ain't gettin' through to you  
If you made one mistake in life  
Why would you make it again?  
You don't know where you're goin'  
But you oughta know where you been

You just run, run, run, that's all you do  
Doin' the same ol' thing  
You never do nothin' new

You just dream, dream, dream  
But it won't come true  
I've been tryin' harder, baby  
But I ain't gettin' through to you  
You just run, run, run, that's all you do
